# TANZANIA PART II

Don't forget to give Dec. 1<sup>st</sup> for Giving Tuesday!

PSALMS 72:17 NIV

" MAY HIS NAME ENDURE FOREVER;  
MAY IT CONTINUE AS LONG AS THE SUN.  
ALL NATIONS WILL BE BLESSED THROUGH HIM,  
AND THEY WILL CALL HIM BLESSED. "

Dear Friends of Galcom,

Last month we featured Galcom's most recent ministry partnership in Tanzania with Radio Joy in western Tanzania by lake Tanganyika. That station is now reaching an audience of over 2 million people, some as far away as Burundi and Rwanda. Radio Joy is reaching an area with a high Muslim population. In recent years, tension has grown more hostile between Muslims and Christians. Pray that those who listen will receive the truth they hear, turn to their Savior and become strong believers. In addition to this most recent partnership with the Wertz in Kigoma, Galcom has been working alongside other radio ministries in Tanzania for over 20 years.

BISHOP LAURENT MAGIKE AND HIS WIFE IN MWANZA,

In 2008, Galcom partnered with Pastor Laurent Magike to erect a 55-meter broadcasting tower tuned to 103.3 MHz. The station was installed on the south shore of lake Victoria in Mwanza. Mwanza is Tanzania's second largest city and the most important port on Lake Victoria. Its geographic location makes it an important transit point for business people and travellers from Kenya, Uganda, Rwanda, Burundi and the outlying villages of Bukoba, Musoma and Shinyanga. Galcom partnered with Radio Africa Network and Living Water Ministries for the installation of an FM station in this town. The strategically

placed radio station will be within signal reach of not only the city of Mwanza but also the many nearby villages. It is estimated that the surrounding region has a population of **2 to 3 million people** that will be able to tune in to hear the truth proclaimed. The nations are listening; let's give them the Good News!

"MANY PEOPLE ARE LISTENING TO THE WORD OF GOD THAT NEVER HAD BEFORE."  
 —BISHOP MAGIKE

With the support of donors like you, Galcom was able to dispatch 1,500 radio receivers fix-tuned to 103.3 Living Water Ministries. Providing these radios instantly gave the station a dedicated audience. A radio doesn't just reach one person. It reaches families, churches, whole communities, schools, prisons, shops—wherever people gather. Pastor Laurent Magike commented that when they began distributing the radios their vehicle was in danger of being damaged by the many people pressing in to get their hands on one of the radios. A year later he indicated that many people are listening to the Word of God that never had before. This radio is causing a great revival in the Lake Victoria area, and the church he established in 2008 is reaching almost two thousand people during the Sunday service—people are getting healed and delivered from the power of demons!
