Milestones in the Andes

Isaiah 6:8

Then I heard the voice of the Lord saying, "Whom shall I send? And who will go for us?"
And I said, "Here am I. Send me!"

In prior letters, we've shared with you how in 2003, **Alex Muir** traveled to Bolivia to visit his missionary son, Greg having no idea how radically his life would be changed. While trekking together in the Andes, they encountered a distressed Quechua man on the trail who was carrying a well-used **Galcom GO-YE radio**. When Greg translated his earnest *plea,* **"Fix this radio please! It is my LIFE!",** the man's words penetrated to the depths of Alex's heart**.** What began that day culminated in Alex deciding to dedicate 5 years of his life to getting Galcom shortwave **GO-YE radios** to Bolivia's **3,000,000 Quechua speakers.** Alex subsequently decided to commit to this calling indefinitely.

Judy & Alex Muir

This year, the Muirs are celebrating **50,000 radio/Bibles** reaching the hands and hearts of the **Quechua people of Bolivia.** What a privilege it has been to partner with them in bringing the life-transforming message of the gospel to these precious people in the Andes. Along with celebrating the distribution and impact of 50,000+ radio/Bibles, the Muirs have another reason to rejoice: they are celebrating their **50th wedding anniversary** this year. What a year! What a legacy! All praise to the Lord! He is faithful!

On March 8th, Alex and Greg will be the keynote speakers at our **Annual Partner Appreciation Banquet**. We would love for you to be part of the celebration of all the Lord has done through this faithful family. Please call us and let us know if you plan to attend ASAP. March 8th is right around the corner.

Intercessors' Corner

Pray for:

- **the continued impact of the gospel delivered through the ImpaX units distributed**
- **improvement in weather conditions for the missionaries and national workers the Lord is using to reach hearts.**
- **Alex and Greg as they travel to join us on March 8th**

ImpaX gift packages ready to be given!

The Quechua come eager to receive the gift packages.

What a blessing it is to read Alex's and Greg's testimonies regarding how the Lord is using the ImpaX units to multiply their efforts in obedience to Him and reach hearts for His glory:

> "God continues to build ***His church in the Mountains of Bolivia through the distribution of little red ImpaX players***. The desire to receive these units has grown. Both believers and unbelievers ***make great sacrifices to obtain this "lifeline", sometimes walking hours in rain, wind and cold***. No one is ever disappointed as they hear the radio programming and **Quechua Audio Bible.** It has become **their prize possession.** Thank you, Galcom for helping to make this possible for thousands of Quechua people in Bolivia." - Greg Muir.

> "Galcom Bible/radios have been **one of the most important and vital additions to our ministry,** not only in reaching the isolated Quechua of Bolivia but have been at the ***center of mobilizing several hundred people from various North American churches***. They personally participate by joining our teams, travel to Bolivia, carry the ImpaX in their luggage and then personally hand the ImpaX players to a Quechua family. This experience has resulted in some becoming greater financial supporters, committed prayer warriors and ***some have even followed the Lord's direction and are now on the foreign fields as missionaries***." - Alex Muir

Because of this partnership, **as many as 1,000,000 Quechua speakers** are able to hear the life transforming message of the gospel each week on Galcom radios and radio/Bibles.

Thank you Galcom partners for your prayers and gifts that help make this strategic outreach to Bolivia's Quechua possible. Please consider going on a future Galcom mission trip to Bolivia or other area of the world where hearts are waiting to hear the Good News. If you'd like to learn more about Galcom USA and our partners around the world, you can read past newsletters and learn how to partner with us at http://www.galcomusa.com.

For the Unreached,

Tom Blackstone
